

Every spring for more than 150 years, the people of Seville, Spain, have held a weeklong party called *la feria*!

# La Feria – The Fair

By Christy Mihaly

It's April in *Sevilla*,  
Scent of orange fills the air.  
Soon we all will gather  
For *la feria*—the fair.

So find your best *peineta*,  
Put camellias in your hair.  
Wear polka dots and ruffles  
To *la feria*—the fair.

*Caballeros* come on horseback,  
Showing off their riding flair.  
We'll take a horse-drawn carriage  
To *la feria*—the fair.

Then we'll all go strolling,  
Greeting friends around the square.  
We'll stay out way past midnight  
At *la feria*—the fair!
